1. *The Bible*

- In the beginning, God created the heavens and the earth. (Genesis 1:1)
- In the beginning was the Word, and Word was with God, and Word was God. (John 1:1)
- The Heavens declare the glory of God. (Psalm 19:1)

2. *Science*

- Science investigates and explains **how** things work.
- God’s Word, the Bible, and our faith help us to understand **why** things work.

3. *Faith and Science*

- Faith and science complement each other, with science giving us a better understanding and appreciation of God’s creation.
- God’s creation is infinite and without limits!

4. *The Bible is True*

- The Bible is not a science book, but scientific advances over time have confirmed its truth.
- God’s creation, the entire universe, and everything in it, including you and me, is more than we can even imagine!

5. *Study The Bible*

- It is by studying God’s Word and conversing with Him through prayer that we learn about His love for each of us.
- His love for us is more infinite than we can even imagine.

Forever

Verse 1: Give thanks to the Lord, our God and King.

His love endures forever.

For He is good, He is above all things.

His love endures forever.

Sing praise, Sing praise.

Verse 2: With a mighty hand and outstretched arm,

His love endures forever.

For the life that's been reborn,

His love endures forever.

Sing praise, Sing praise.

Sing praise, Sing praise.

Chorus: Forever God is faithful. Forever God is strong

Forever God is with us

Forever and ever, for-ever

Verse 3: From the rising to the setting sun,

His love endures forever

By the grace of God we will carry on

His love endures forever

Sing praise, Sing praise.

Sing praise, Sing praise.

Chorus

Give Thanks

Verse: Give thanks with a grateful heart.

Give thanks to the Holy One.

Give thanks because He's given Jesus Christ, His Son.

Chorus: And now let the weak say I am strong.

Let the poor say I am rich.

Because of what the Lord has done for us.

Ending: Give thanks. Give thanks.

We give thanks.
